

## CLI-251 BK/CMY 4 PK

The **CLI-251 BK/CMY 4 PK** includes **Black, Cyan, Magenta, and Yellow Standard Capacity Ink Tanks** are part of the ChromaLife100+ system that guarantees print longevity of 300 years when used with select Canon paper and stored in an archival-quality photo album. The tanks features an LED light which will illuminate when you install the ink tanks correctly. Additionally, when a full set of Canon ink tanks is installed, you can access content on Canon's Creative Park Premium website for free. The ink tanks are compatible with the following units:

- PIXMA iP7220 Wireless Inkjet Photo Printer
- PIXMA MG5420 Wireless Photo All-in-One Printer
- PIXMA MG6320 Black Wireless Photo All-in-One Printer
- PIXMA MG6320 White Wireless Photo All-in-One Printer
- PIXMA MX722 All-in-One Printer
- PIXMA MX922 All-in-One Printer

**Ink Dries Instantly:** Photos can be handled as soon as they come out of the printer without getting smudged

**Smart LED:** Lets you know the cartridge is properly installed

**ChromaLife100+:** Combines FINE print head technology with select Canon ink and select Canon photo paper for borderless photos that last up to 300 years when stored in an archival-quality photo album

**Creative Park Premium:** After installing a full set of Canon ink you can download projects from the Creative Park Premium website including postcards, calendars, scrapbook pages, and paintings
