

PureSource 3 Replacement Ice & Water Filter (WF3CB)

FRIGIDAIRE

The Frigidaire WF3CB PureSource 3 Replacement Ice & Water Filter is used to replace water filters in Frigidaire side-by-side refrigerators manufactured after 2009. This replacement filter is tested and certified to NSF/ANSI Standard 42 and 53 for the reduction of at least 95% of contaminants and substances including chlorine, lead, mercury, andalachlor. It is located at the top right of the fresh food compartment and was designed as a “push/push” style filter, making it incredibly easy to replace.

- PureSource 3 replacement water and ice filter
- Convenient and easy-to-install
- Cleans tap water going into the ice maker and water dispenser of select Frigidaire refrigerators
- Certified to NSF/ANSI standards for 95% reduction of chlorine, lead, mercury, andalachlor
