

SHARP®

RK-93S30
30" Built-In Kit

Product Information

The Sharp RK-93S30 30" Built-in Kit, in stainless steel, provides stability and support for Sharp microwave ovens as well as an attractive custom fit for your cabinets. It is compatible with the Sharp R-930CS microwave oven, converting this model from a countertop unit to a built-in unit and freeing up counter space.

- Stainless steel 30-inch built-in kit
- Compatible with the Sharp R-930CS microwave oven
- Transforms countertop unit into built-in unit
- Adds support and stability to microwave once installed
- Blends microwave into the surrounding cabinetry for a more attractive façade
