Pendant, 10.5"H x 4.5"D
1-60W Edison Base
On/Off Line Switch

Our glass pendants are crafted in molded glass, finished with a clear iridescent finish. Each shape makes them unique. Comes with a 10' chain and a swag kit, making them versatile so they can transform a dark area with needed light. Each one takes a 60 watt bulb. Sizes vary by style. Due to handcrafting, no two are alike.
