About AVer

AVer is an award-winning provider of visual collaboration solutions that improve productivity and enrich lives. To increase the competitive advantage for your business, AVer solutions leverage the power of visual communications to help people connect better.

Our business product portfolio includes PTZ Cameras, HD Video Conferencing solutions, and videobars. We strive to provide industry leading service and support that exceeds our customer's expectations. Additionally, our products meet the highest certification or collaboration standards with Microsoft Teams, Zoom or Google Meet.

Why AVer

We take pride in creating high-quality products. That's why we are recognized by so many as a key partner.

AVer's award-winning USB conference cameras help your team connect and collaborate like never before. With years of manufacturing experience, we provide professional, high-quality products and services.

With our Advanced Replacement Program*, if your system is not performing during the first year, a replacement unit will be sent to you within 72 hours.

Combined with the industry's only 3 Year Warranty this ensures total protection and peace of mind at no additional cost.

Phone: 1.877.528.7824 Email: support.usa@aver.com

*North America only. Visit averusa.com/support for more details.

Our Try & Buy Program is a full 30-day evaluation of any AVer product with ZERO risks. This allows you to experience the superior performance of AVer products.

We ship out a brand new unit for you to try, if the product fits your needs then we will work with a partner to help you purchase our product. If not, we provide return shipping at no cost.

Room Types

Home Office

A home office is a private workspace in a residence used for remote work, hybrid schedules, or self-employment. It can also serve as a study or project/hobby space.

A30, CAM130, VB130

Huddle Room

A huddle room is a small and private meeting area seating **1-4 people**. Depending on its size and needs, an organization may have several huddle rooms.

A30, CAM130, VB130, VB342 Pro2, FONE540

Small Conference

Small sized collaboration spaces are larger than huddle spaces and can accommodate **4-7 people**. These are corner offices, study spaces, meeting rooms or larger home offices.

CAM130, VB130, VB342 Pro, FONE540

Medium Conference

Medium sized conference rooms are your standard conference room size built to accommodate **7-12 people**. This is your typical executive conference room.

CAM520 Pro2, CAM520 Pro3, CAM550, CAM570, VC520 Pro2, VC550, VB342 Pro, VB350, FONE540

Large Conference

Large conference rooms are equipped with teleconferencing and collaboration technologies. They can accommodate **12-20 people**. Most offices only have one of these spaces. This is the space where meetings including all employees happen.

CAM520 Pro2, CAM520 Pro3, CAM550, CAM570, VB350, VC520 Pro2, VC550, FONE540

VIDEO CONFERENCE CAMERAS

Connect anywhere, anytime with AVer's Plug and Play devices.
Collaborate with your team face-to-face.
