

# Cisco® Room Kit Mounts

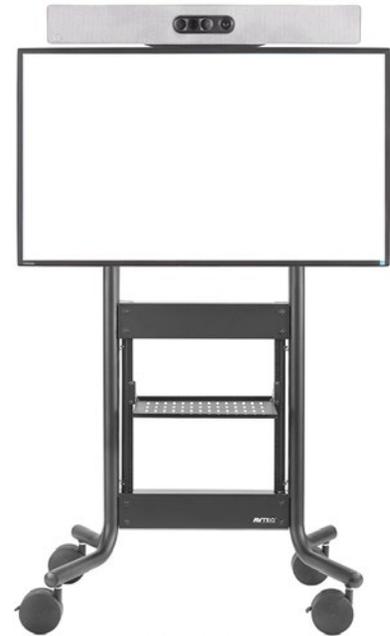

## Room Kit, Room Kit Plus, Room Bar & Room Bar Pro

Add mobility and flexibility to your Cisco meeting spaces with AVTEQ Room Kit Mounts designed specifically for mobile AV carts. Our mounts make it easy to position the Room Kit above or below a display depending on the meeting room and the collaborative space.

By installing the Room Kit or Room Bar on an mobile AV cart, the position of the Room camera is easily moved in the room to adjust to how the space is being used. The mobile collaboration cart enhances the Cisco experience by providing mobility and flexibility to the meeting space.
