BTF840
SYSTEM X™
UNIVERSAL FLAT SCREEN STAND

The BTF840 is a premium mounting solution designed to mount screens up to 65” in either landscape or portrait orientation. A heavy duty steel base eliminates the need to bolt to the floor and adjustable levelling feet are included to accommodate uneven surfaces. The high-end aesthetic with an anodised aluminium finish and integrated cable management ensures finished installations are neat and tidy, making the BTF840 ideal for use in professional or commercial applications.

**FEATURES**
- Universal design suitable for mounting screens in a landscape or portrait orientation
- Heavy duty steel base construction provides stability, eliminating the need to bolt to the floor
- Can also be bolted to the floor to help prevent unauthorised relocation of the display
- Supplied with adjustable levelling feet to accommodate uneven floor surfaces
- Arms feature levelling screws to adjust the screen height
- Collar compatible accessories such as shelves can be fitted directly to the column
- Integrated cable management for a neat and tidy installation
- Safety screws help prevent unauthorised screen removal
- Simple ‘hook-on’ screen installation
