Thoughtful Features

True counter-depth

Refrigerator sits flush with the countertop for a built-in look and feel.

UltraClarityPro™ water filter

Our industry-leading water filter removes an astonishing >99.9% of sediments. So advanced, it's received certification by NSF, a leading regulatory agency.

Dual compressors

Dual compressors and dual evaporators offer efficient and precise cooling and humidity control, while significantly limiting odor transfer between the refrigerator and freezer, for the optimal freshness environment.

Filtered internal water

Beautifully hidden inside, our dual-dispensing interior water lets you enjoy pure fresh water with the touch of a button or tap of your glass or bottle.

Glass display drawer

Featuring pre-programmed temperature and humidity levels, the Refreshment Center™ drawer stores your beverages in their optimal environment, accommodating an impressive 17 standard wine bottles.

Filtered pyramid ice

Enjoy beautiful, pyramid-shaped ice right from your freezer. Choose the ice bin, or remove completely for a full drawer of ice storage.

Adjustable FlexBar™

Organize your fridge in new ways. FlexBar creates extra space in your refrigerator – it's the perfect home for wine bottles, condiment jars, eggs, and more.

Interior design details

Beautifully designed in both form and function with stunning LED illumination from corner to corner, and a cool stainless steel back wall.

Connected Refrigerator

Receive open door notifications for peace of mind, or remotely connect with a servicer with remote diagnostics for the ultimate convenience.

MultiAirFlow™ and AirFresh® filter

Absorbs even the toughest food odors and evenly circulates cool fresh air to maintain consistent temperatures throughout the entire fridge cavity.
