

The C2G USB-C to HDMI adapter is ideal for computers without an HDMI port but needing to connect to an HDMI display. It supports resolutions up to 8K at 60Hz with a bandwidth of up to 48Gbps, ensuring lifelike videos and crystal-clear images. Whether watching movies, playing games, or giving presentations, this adapter seamlessly connects your USB-C device to an HDMI display. Its compact and lightweight design makes it portable and convenient. Simply plug the USB-C end into your device and connect any HDMI cable to the adapter's HDMI port. Say goodbye to HDMI port limitations on your computer and unlock a world of high-definition possibilities with the C2G USB-C to HDMI adapter.

## Features & Benefits

Supports resolutions up to 8k 60Hz
