

## Metropolitan 19-In. Vertical Wall-Mount Electric Fireplace

### **CAM19VWMEF-\*\*\*\***

#### **Fireplace Features**

- Vertical wall-mount design
- Multi-color flame display
- Curved glass screen for panoramic views
- Log or crystal rock displays
- Dual-heat settings
- Adjustable brightness
- Automatic thermal safety shut off
- CSA certified

Show off your flair for design and hospitality with the vertical wall-mount electric fireplace from Cambridge. It features an array of colors and effects that can be changed to suit your mood. Whether you're feeling classic orange, bright green, ultraviolet, or all at once, there is a unique color spectrum available that is sure to please any aesthetic. The curved, tempered-glass panel offers stunning panoramic views of the beauty within the firebox. It's an extra design twist that will catch the eye of any passersby.

The flames can operate with or without heat, which makes it perfect for warmer seasons and year-round use. A convenient remote control is included so you can easily adjust the settings from anywhere in the room. Its tempered-glass screen and low-profile frame add a modern design that can easily integrate with existing wall art. Simply turn it on and enjoy the serene, warm effect that it adds to your home.

With the fireplace's overheating protection, you can have peace of mind while relaxing in front of the fire. Guests will be simultaneously wowed and warmed with this great conversation piece perfect for all home entertainers.
