Fireplace Features

- Wall-mount design
- Sleek bezel frame available in Black or White
- Log or crystal rock displays
- Dual-heat settings
- Adjustable brightness
- Automatic thermal safety shut off
- CSA certified

Experience comfortable warmth and dramatic flair anywhere in your home with the Metropolitan 56-in. electric fireplace. Designed for wall-mounted displays, this fireplace pairs beauty with function along with the flexibility to be installed wherever you choose. During operation, the flames bounce across a bed of crystal rocks to create a stunning effect. The heat element offers two heat settings up to 4,604 BTUs.

The flames can operate with or without heat, which makes it perfect for warmer seasons and year-round use. A convenient remote control is included so you can easily adjust the settings from anywhere in the room. Its tempered-glass screen and low-profile frame add a modern design that can easily integrate with existing wall art. Simply turn it on and enjoy the serene, warm effect that it adds to your home.
