CAMBRIDGE

23-In. x 17.1-In. x 5-In. Electric Fireplace Insert with Enhanced Faux Charred Log Display

CAMINS2318-2LOG

Firebox Features

- Heats up to 210 sq. ft.
- 2-stage fan-forced air heater
- 9-hour programmable timer
- 2 heat settings & flame only function
- Automatic thermal safety switch
- CSA certified

**Shown with Sofia Mantel (not included)*

The electric insert produces 5,115 BTUs of fan-forced heat that can quickly warm a 210 sq. ft. room. An elegant multi-color flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding highlights throughout the charred log display. The heat settings can be adjusted with a simple push of a button. During the warmer months, you can set the flames to display without heat - making it perfect to use all year long.

Fireplace enthusiasts will enjoy the convenience of an electric unit. It's flexible placement allows you to move it from room to room as needed. It will never produce ash or soot, and the logs will never need to be replenished. No need to for professional installation, simply plug it in and enjoy!
