Triangle Propane Patio Heater

Prepare to entertain all year-long with Cambridge's sturdy triangle propane heater. This striking 7 ft. tall, patio heater integrates classy design with excellent functionality and top-notch quality. The resilient steel-constructed, triangle base blasts a powerful 42,000 BTUs of heat with a 16.4-ft. heat radius. Essential for those summer nights and crisp autumn afternoons, the battery ignition start adjusts from low to high heat for customizable comfort. Available in hammered bronze and stainless steel, this patio heater will complete any outdoor sanctuary.
