ALUMINUM SLING CHAISE LOUNGE WITH POLYWOOD ACCENT ARMS

The Santorini chaise lounge chair from Cape Soleil is a simple yet classic addition to any outdoor space. The weather-resistant fabric and rust-proof aluminum frame provides durability to the furniture, allowing guests to experience maximum comfort and stability. The chaise's sling fabric is breathable, quick-drying, and above all else, incredibly comfortable. The chaise's sleek lines are accented with faux wood detailing on the arms for an added touch of style. Lightweight and easy to transport, the Santorini chaise lounge chair is the ideal seasonal furniture for any venue.
