

Gourmet Gold Cup Coffee maker

About 8 cups within 6 minutes

Keep-warm function

- + Great tasting cup of coffee – to Gold Cup Standards
- + Fresh filter coffee, almost hand-brewed
- + Thanks to the adjustable water flow speed of the Gourmet coffee maker, the coffee grounds are optimally wetted, resulting in a perfect aroma of the coffee
- + Perfect brewing temperature of 205 °F, avoids bitterness and acidity in coffee
- + Quick brew: about 8 cups within 6 minutes

- + Single cup function: direct brew into the cup or a to-go cup
- + 8-hole water passage for optimal wetting of the ground coffee
- + White LCD display with auto-start timer
- + Uable with paper filter number 4 or with the reusable gold tone filter included
- + Keep-warm function keeps the coffee at approx. 176 - 185 °F for up to 40 minutes

TECHNICAL DATA

Model	11851
UPC	4047849118516
Voltage	120V / 60Hz
Power	1475 watts
Weight	6.6 lbs
Loading quantity 20'	700
Loading quantity 40'	1450
Loading quantity 40' HQ	1680
Product dimensions	14.33"x6.85"x13.58"
Giftbox dimensions	15.36"x8.27"x15.67"
Master Carton dimensions	17.25"x15.77"x16.42"
