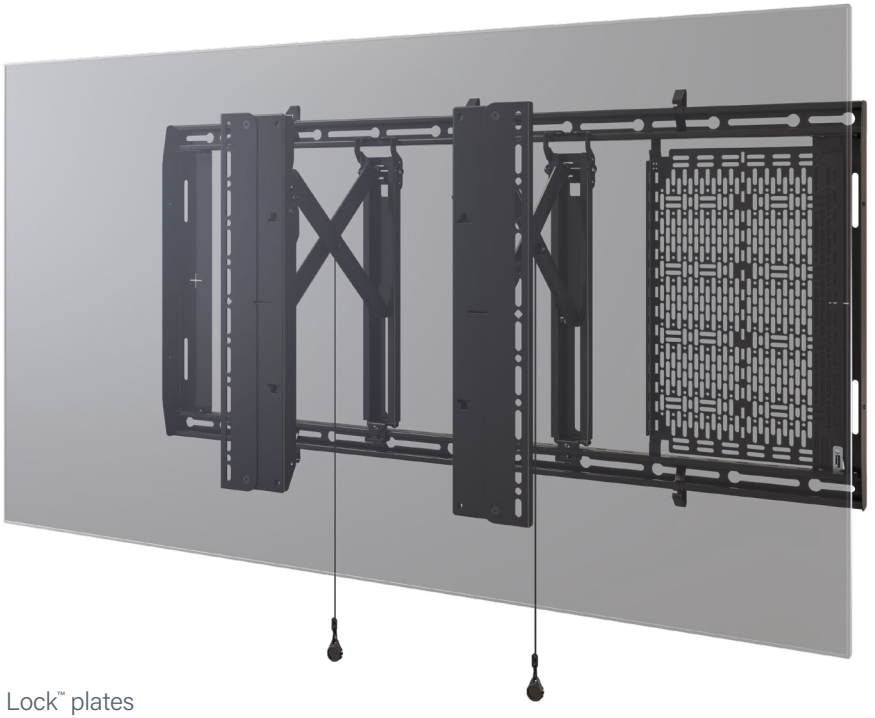
PICK UP THE PACE WITH TEMPO

TEMPO™ FLAT PANEL WALL MOUNT SYSTEM

TEMPO™ FLAT PANEL WALL MOUNT SYSTEM



This all-in-one configurable wall mounting system is designed to improve efficiency by streamlining installation workflow. AV professionals can increase productivity and add money to the bottom line with this new system, especially for mass rollouts.

Install on any wall and neatly store AV devices with simple, unparalleled service access. Install up to six small devices behind the display on integrated Lever Lock™ storage panels. Tempo Wall Mount System is thoughtfully designed with feedback from installers for faster deployments.

Accelerate AV Installations

- One part number, one box, one order!
- Ship to site pre-loaded with small devices and cabling.

Save Money

- Reduce onsite installation personnel and time.
- Minimize last-minute shipping costs of missing parts.

Feature Flexibility

- Wall plate and sliding interface design facilitates centering display in the right position.
- 10° of adjustable display tilt in 2.5° increments.

Streamlined for Success

- Total installation depth facilitates ADA compliance.*
- Up to 1" (25 mm) post-install leveling adjustment.

*When display depth is less than 2" (51 mm)

Integrated Storage

- Ships with two 15"x10" Lever Lock™ plates with space to add more.
- Storage plates can be moved along the mounting rail for best placement of components.
- Includes six cable management clips to keep cables tidy for a professional-looking installation (***NEW*** in October 2024).

Simplify Service

- Approximately 13" (330 mm) of service access.
- Open wall plate for easy positioning of power and data sources and in-wall storage.
- Home latch lockout clip prevents home latch from accidentally locking until pull cords are properly stowed (***NEW*** in October 2024).
