- **contrast**
  - 2500-10,000:1 (full on/off)
  - 650.1 ANSI (typical)
- **uniformity**
  - 90% brightness

**Display type**
- 3DLP® 0.95”
- DMD

**native resolution**
- HD (1920 x 1080)

**Lamp type**
- Dual 200W P-VIP
- Dual 350W P-VIP
- Dual 450W P-VIP
- Dual 350W P-VIP
- Dual 450W NSH

**Lamp life**
- High power:
  - 2000 hrs @ 200W
  - 2000 hrs @ 300W
  - 1750 hrs @ 450W
  - 2000 hrs @ 360W
- High power:
  - 1750 hrs @ 450W
  - Low power:
  - 2000 hrs @ 300W
- High power:
  - 1500 hrs @ 350W
  - 2000 hrs @ 350W

**Inputs standard**
- Analog BNC input card
- Dual-link DVI input card
- Twin DisplayPort input card
- Dual-link DVI input card
- Twin DisplayPort input card
- Twin-link DVI input card
- Analog (5 BNC)
- Dual 3G SD/HD-SDI
- Video decoder
- Twin HDMI
- DMX512 interface card
- Analog (5 BNC)

- Analog (5 BNC)
- Dual 3G SD/HD-SDI
- Video decoder
- Twin HDMI
- DMX512 interface card

**Accessories standard**
- Analog BNC input card
- Dual-link DVI input card
- User manual
- IR remote
- Line card
- Twin DisplayPort input card
- Dual-link DVI input card
- User manual
- IR remote
- Line card
- IR remote
- Line card
- Stacking frame
- IR remote
- Line card
- Dual-link DVI input card
- Coarse dust filter
- Fog juice filter
- Ceiling mount
- Stacking frame
- Christie® AutoStack™
- DMX512 interface card
- Analog BNC input card
- ILS lens adapter kit
- ILS lens adapter kit

**Enhanced feature sets**
- LiteLOC™
- Comprehensive Color Adjustment (CCA™)
- Embedded Christie Twist™ image warping and edge-blending
- Intelligent Lens System (ILS™)
- Digital Keystone correction
- 3D upgradeable
- Dynamic iris
- Dust sealed engine, filter-free design
- Motorized yellow notch filter
- Built-in portrait display capabilities
- 24/7 operation
- Black level blending
- Dynamic iris
- Motorized yellow notch filter
- Black level blending
- Built-in portrait display capabilities

1 Christie M Series stacking frame is required in portrait orientation.

- EN55024/CISPR24
- Certifications marks (check with Christie for latest update): cULus (Canada & US), CE (EU), CCC (China), EAC (Russia), KC (Korea), PSE (Japan), RCM (Australia & New Zealand), South Africa, Saudi Arabia, BIS (India)

**Limited warranty**
- Three years parts and labor (including light engine)
- Contact an authorized Christie representative for full details of our limited warranty
Here at Christie we understand that using the right technology for your application is paramount. We currently have over 180 products that cover endless install possibilities, from small boardroom projection to record breaking 6P laser projection enhancing $200m Hollywood blockbusters... and beyond.

Our understanding runs deeper though. Ever since Christie began over 85 years ago we have had the same ethos – to drive forward our belief in creating innovative technologies that are at the cutting edge of AV.

Our facilities accross EMEA showcases a trove of technological wonders. It’s here that you, along with thousands of visitors every year find our dedicated teams, who think global, act local and who live and breathe audio visual.

Christie’s extensive product range of display technologies covers 3D visualisation, cinema, commercial and public displays, simulation, digital out of home (DOOH), broadcast, audio and much more. These technologies are protected by our excellent technical service and repair teams that are on-hand around the clock to keep your install running both mechanically and profitably.

So next time you are sat in a concert, state of the art cinema or even a boardroom and see a Christie logo on the projector, you know, without a doubt, they have invested in the best.
