

CHRISTMAS TIME™

36" Music, Lights, and Motion Santa

Here comes Santa with a beautiful Christmas tree! Our music, lights, and motion Santa, by Christmas Time, will fill your home, office, or shop with holiday cheer. Dressed in golden holiday splendor, Santa's round chubby cheeks and friendly smile will add an elegant touch to your holiday decor.

When you plug him in, African American Santa will move his head and arms with or without music, bringing joy to one and all. Santa's decorated pine tree lights up with fifty warm white LED bulbs. Standing 3 feet tall, Santa will look majestic near the family Christmas tree, in your favorite display window, or greeting your guests in the foyer.

- Easy to operate - just plug it in to see movement
- Animated - moves head and arms with or without music
- Music on/off button is located under his left sleeve
- Jingle Bells can be heard through the music speaker
- Dimensions: 10.5" D x 17" W x 36" H
- Power Cord Length: 6-ft.
- No assembly required - simply fluff and enjoy
- 1-year limited warranty for indoor use
