

CHRISTMAS TIME™

Musical Chalkboard Santa

Great your guests with this musical Santa Claus from Christmas Time! Standing 58 inches tall in his famous red and white suit, Santa will look great in the foyer, near the fireplace, or next to the Christmas tree. Jingle Bell Rock can be heard through the speaker located inside his left hand and can be turned off using the power setting under Santa's left sleeve.

Create a personal greeting on his removable chalkboard to spread the holiday cheer. Better yet, write out the party menu on his chalkboard and place him near the holiday goodies. Wherever you place him, musical Santa will be a delightful addition to your holiday decor with his open spectacles, round chubby cheeks, and friendly smile.
