

CHRISTMAS TIME™

Musical Snowy Street Lamps

Greet your guests with this 71-inch Musical Snowy Street Lamp from Christmas Time. Our snowy lamps produce flurries of faux snow that fall over various holiday scenes. Watch as brightly lit snow cascades over a Snowman scene while your favorite Christmas Carols play in the background.

With two interchangeable signs (Let it Snow & Merry Christmas), a berry-covered wreath, and a classic red bow, this unique holiday street lamp will help create a magical winter wonderland on your covered porch, walkway, or driveway.
