

CHRISTMAS TIME™

Musical Snowy Lanterns

Grace any tabletop with a Musical Snowy Lamp from Christmas Time. Our snowy lamps produce flurries of faux snow that fall over various holiday scenes. Sparkling white LED lights illuminate the polyfoam beads cascading over Santa and a snowman on a seesaw inside this 20.5-inch tabletop lamp.

Three popular Christmas tunes play randomly while the artificial snow flutters inside the lantern. You can enjoy the lights and snowfall with or without music. This snowy lantern on a pedestal will help create a magical winter wonderland on your fireplace mantel or holiday display table. Plug it in or use 3 AA batteries, then let it snow!
