COLLABORATE Live solutions are the most versatile video collaboration room systems of their kind in the market. COLLABORATE Live 200 is a video collaboration system that captures an ultra wide-angle view for huddle spaces and small meeting rooms. High-quality audio and video collaboration solution for a huddle space budget.

- COLLABORATE Space web conferencing, Skype® for Business client, SIP/H.323 video conferencing, wireless presentation and interactive whiteboard.
- One CHAT 150 speakerphone provides crystal-clear audio.
- One UNITE® 50 EPTZ camera with 1080p30, 3x digital zoom with 120-degree wide-angle field-of-view to capture all participants in the room.
- User interface as intuitive and simple as familiar mobile or tablet devices.
- COLLABORATE Space is a powerful collaboration application with a full suite of audio, video, and meeting tools in a persistent space.
