

13" French Skillet

13" French Skillet has a deep base for cooking and combines the beauty of stainless steel with the superior performance of an aluminum core to control the cooking process. The patented latch lid prevents damaging steam heat rings and messes on your counter, just hook it on the side of the pan while you cook!

Product Features

- Tri-Ply stainless steel construction
- Silicone handles
- Patented lid latch
- Built-in vent on lid
- Aluminum core construction
- Compatible with all stovetop surfaces

Item # CC-3005
