

PET STROLLER

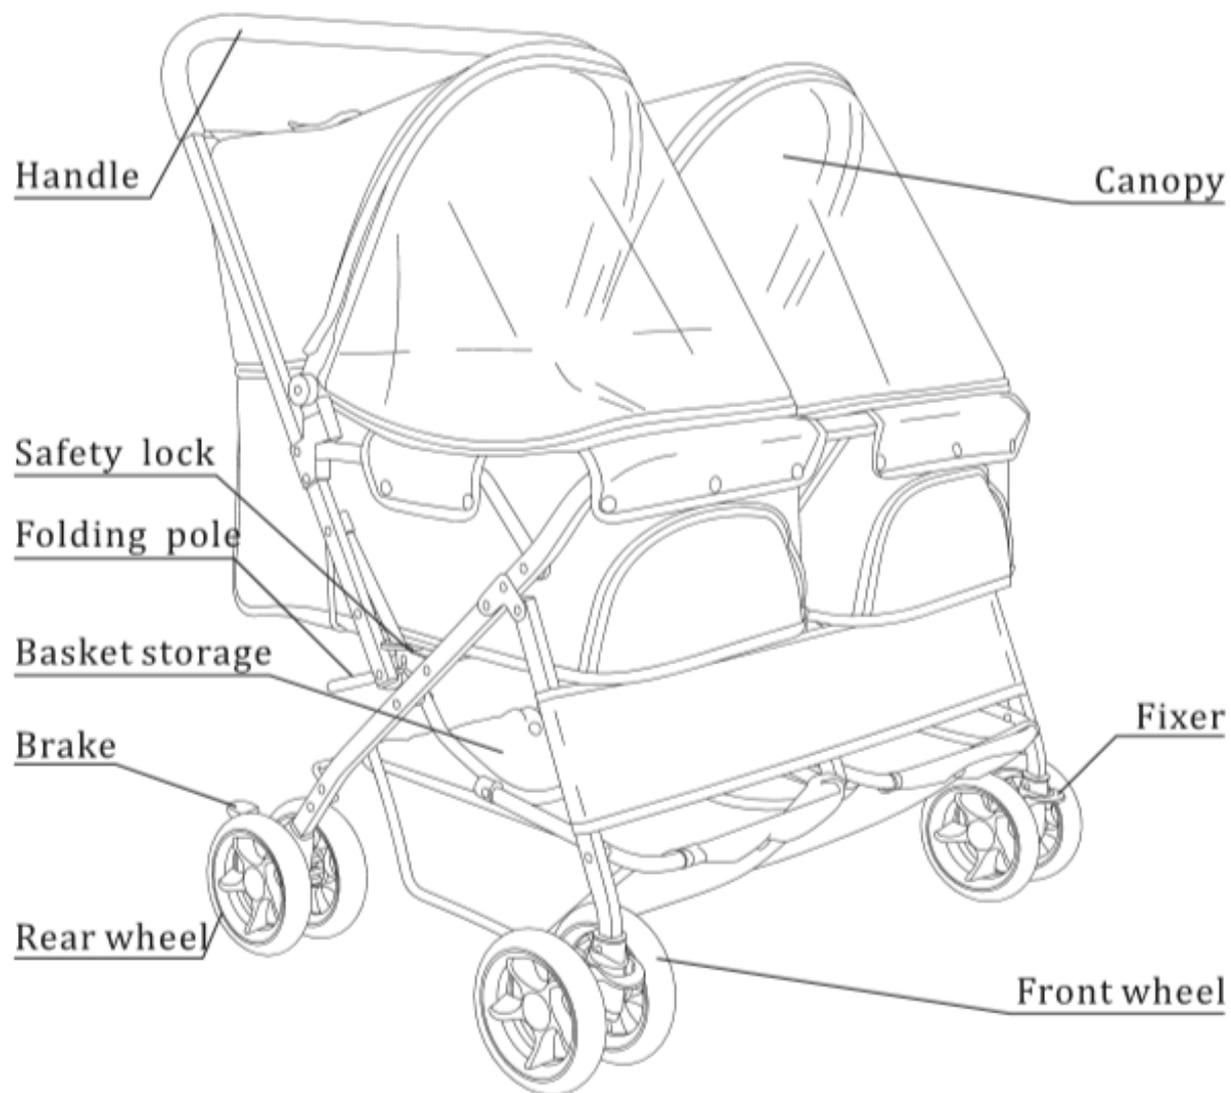

Installation instructions

For Pets Only

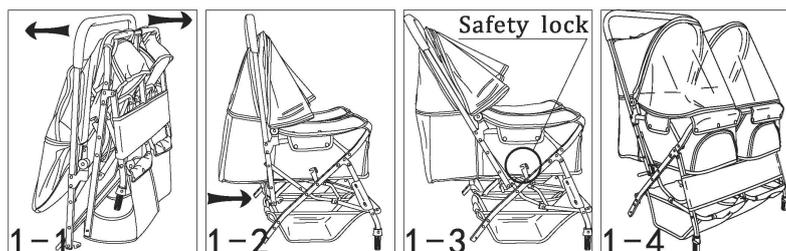

This is not a toy. Under no circumstances should this pet stroller be used by or for children.
Esto no es un juguete. Bajo ninguna circunstancia este artículo debe ser utilizado por o para niños.

Components:

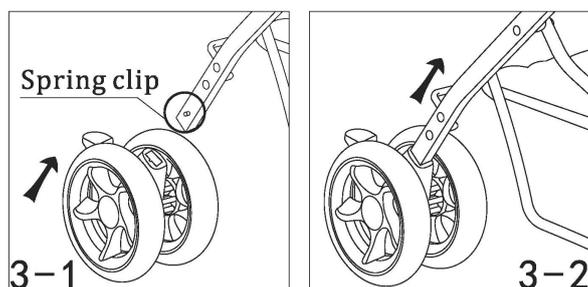

Assembly:

Unfold the stroller

1. Take out the stroller and all components from the carton.
2. Release the folding hook, unfold the stroller in two opposite directions, as shown in picture 1-1, until you hear a "click".
3. Fasten the safety lock as picture 1-3.
4. Unfold the canopy.

Assemble rear wheels

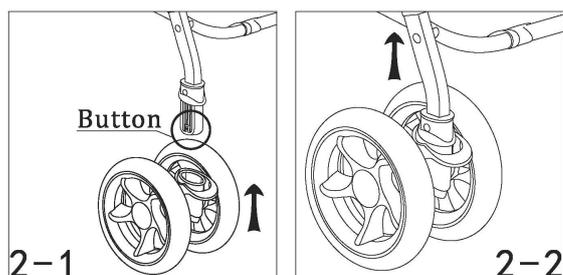

7. To assemble rear wheels: Hold the rear wheels with the red brake in the back, and insert the rear wheels onto the rear leg until the spring clip goes into the slot of the wheels connector.
8. Disassemble rear wheels: Press the spring slip with force by one hand or tools and at the same time pull the wheels off by the other hand.

Unfold and fold canopy

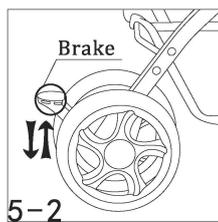

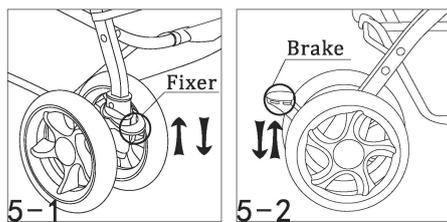

9. Close the canopy as in picture 4-1. Open the canopy as picture 4-2.
10. Unzip the window and fold the canopy as picture 4-3.

Assemble front wheels

5. Assemble front wheels: Insert each wheel onto the respective leg and push upward until you hear a "click".
6. Disassemble front wheels: Press the plastic button on the leg as picture shown by one hand and pull off the wheels by the other hand.

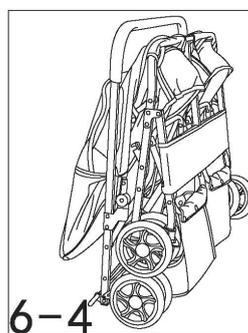

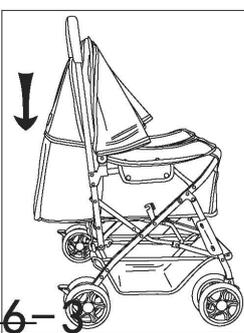

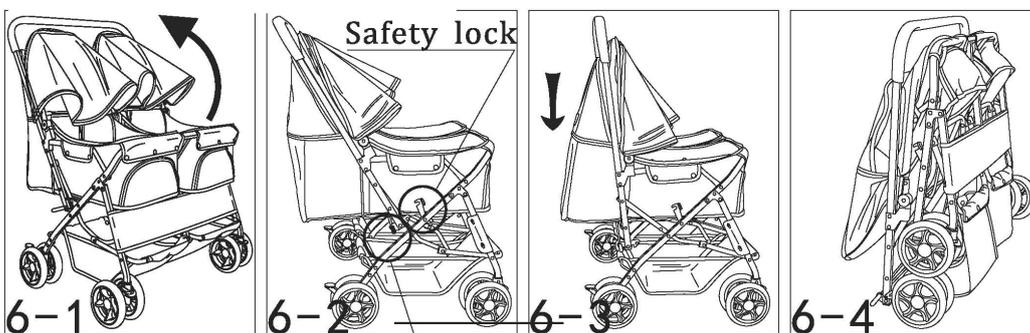

Brakes

11. Attach the front wheels: Push the red arrow button upward to attach the front wheels, move in one direction and press down the button to release as picture 5-1.

12. To Use the Rear Brakes: Step on the red brake to stop the stroller and push it up to unlock the brake as picture 5-2.

Fold the stroller

13. First unzip the window and fold the canopy as picture 6-1.

14. Release the safety lock and step on the red brake as picture 6-2.

15. Fold the stroller and fasten the folding hook as picture 6-4.

WARNING

- This is not a toy. Under no circumstances should this pet stroller be used by or for children.
- Not intended to be used as a restraining device for aggressive animals.
- Do not leave your pet unattended while in the stroller.
- Do not use near an open or exposed flame.
- Do not leave pet unsupervised in stroller.
- This stroller is designed for one pet only. Do not place more than one pet in the stroller.
- Do not hang bags from handles, this could cause the stroller to become unstable.
- Do not use on escalator or stairs; always fold the stroller and carry it.
- Put on the brake whenever you park the stroller.
- Ensure stroller is completely vertical and check that all locks are engaged before placing pet in stroller.
- Do not exceed the maximum weight of 44 lbs.
- Failure to follow these warnings and the instructions could result in serious injury or death.
