Cuisinart[®] Cast-Iron Double Burner

The Cuisinart[®] Cast-Iron Double Burner offers the ultimate in cooking flexibility, adding two extra burners to any kitchen, or any place without a kitchen! Its 1800 watts of power – a 1300-watt large plate and a 500-watt small plate – heat up quickly and retain high heat throughout cooking. The “coil-less” cast iron plates are durable and wipe clean in a snap. Premium brushed stainless steel housing looks stylish in any setting. A separate 6-setting temperature control for each burner offers complete versatility – the lower settings keep foods warm, while the higher settings cook an entire meal. It's ideal for entertaining and holidays when cooking for a crowd, yet it's compact and portable enough for small spaces like dorm rooms, boats, patios or RVs. This is a versatile tool that's a great addition to any kitchen – big or small!
