Take the excitement of a  
Hibachi grill to your  
backyard!

7 Essential Tools for Hibachi grilling

All grilling tools are stainless steel and feature robust wooden handles

An elongated, multi-functional spatula with bottle openers

Stainless steel fork designed with a long handle and two sharp prongs can dig into just about any meat for slicing and serving

Griddle scraper to dice up food or scrape the griddle clean

Hibachi knife with protective cover

Two squirt bottles for water, oil or sauces
