Stainless Steel 12" x 16" Grill Topper

The Cuisinart Stainless Steel 12" X 16" Grill Topper helps any grilling enthusiast cook a variety of delicate foods on the grill without allowing them to fall through the grate. Ideal for fish, seafood and vegetables, this smartly designed platter features a large 12" X 16" grilling surface and a perforated grilling surface to enhance the natural grilled flavors created by the open flame.

Features:

- Ideal for grilling delicate foods that may stick to or fall through grill grates
- Perforated grilling surface enhances natural flavors
- Durable stainless steel material
