Cuisinart® QuickKettle™

This compact kettle is the perfect choice when brewing for one or two. The Cuisinart® QuickKettle™ heats water up fast and turns itself off when it reaches boiling temperature. Designed for user convenience, this cordless kettle features an easy-to-view water level window, a lid that pops open with the touch of a button, and overheat and boil-dry protection.

- 0.5 Liter/17 ounce capacity
- 700 watts
- Water window with printed level markings
- One-touch operation
- Easy-open hinged lid
- Removable scale filter
- Auto shut-off
- Overheat and boil-dry protection
- 360° swivel cordless connector
- Concealed heating element to prevent mineral buildup
- Stay-cool handle
- Blue ON indicator
- BPA Free
- Limited 3-year warranty
