

# Cuisinart®

## 2-Pack Water Filter

Model # DCC-RWF

The Cuisinart DCC-RWF 2-Pack Water Filter for Select Cuisinart Coffeemakers removes the impurities in your water, leaving you with clean, better tasting water with which to brew a quality cup of coffee. Because these filters reduce mineral build up, they can also increase the lifespan of your coffeemaker. Before thinking about beans and brews, first ensure the water you brew with is free of impurities that could impart unpleasant tastes and odors into your coffee. The DCC-RWF water filter is compatible with Cuisinart model series DCC-1100, DCC-1200, DCC-2000, DGB-600, DGB-700, DGB-900 and SS-700.

- Set of 2 charcoal water filters
- Helps ensure deliciously fresh, pure, home-brewed coffee
- Removes chlorine, odors, calcium and other water impurities prior to brewing
- Simple to install design
- Requires replacing every 60 days or after 60 uses
- Extends the life of the coffee maker
