## Cuisinart Kitchen Pro Food Slicer

The Kitchen Pro Food Slicer makes slicing meats, cheeses, vegetables, breads and other foods easy, fast and convenient! This professional-quality slicer adjusts from 1/32 inch to 1/2 inch thick to slice everything from paper-thin prosciutto to perfect servings of roast beef. Imagine how easy it is to make apple pie when the Kitchen Pro does all the apple slicing! It's convenient and simple to operate, and removable parts make it easy to clean. Any way you slice it, this premium appliance is a great addition to any kitchen, and a big help to any chef.
