Pasta Roller & Cutter Attachments

Cuisinart lets pasta lovers make their own favorite gourmet pastas in a Cuisinart® Stand Mixer. The Pasta Roller Attachment turns pasta dough into thick to thin sheets which can be cut into lasagna or other shapes. Fettuccine and Spaghetti Cutters can be attached to the mixer to turn those freshly rolled sheets into mounds of fresh pasta, ready to cook and top with favorite sauces. Fresh pasta can be refrigerated for short term storage, or dried to keep much longer. Nothing is as good as homemade!
