

Safe-IT Precision-Placement Desktop Mount with Antimicrobial Tape for 17 to 32-inch Displays

MODEL NUMBER: DDV1732AM

Steel desk mount adjusts your 17 to 32 in. monitor to a comfortable height to free up valuable space on your desk or work area.

Features

Desktop Monitor Mount Lifts Your Display Above Your Work Area's Surface

This Safe-IT™ desk mount raises your display above your desk, table or workstation, allowing you to free up valuable surface space. Recommended for home or office use, the DDV1732AM fits most flat-screen and curved-screen monitors from 17 to 32 inches. The durable steel frame and handle tolerate frequent adjustments, and the premium coil spring supports displays up to 15.4 pounds (7 kilograms). All hardware is included.

Swivel, Tilt and Rotate the Dual Screens to Find the Most Comfortable Viewing Angles

The premium coil spring adjusts effortlessly to optimize viewing angles, minimize glare and improve ergonomics. To minimize screen glare, reduce eye fatigue and increase viewing comfort, the mount features tilt, swivel and 360° rotation for positioning your screens. Easy screen adjustment lets you quickly find just the right angles without interrupting your workday.

VESA-Compliant Mounting Ensures Display Compatibility

VESA (Video Electronics Standards Association) promotes uniformity in the video electronics industry by developing standards for television sets and monitors. For hassle-free display compatibility, this desktop monitor stand supports the following VESA mounting hole patterns: 75 x 75 and 100 x 100. Monitor cables route through a slot to eliminate clutter and keep cords hidden and organized.

Antimicrobial Protection Helps Provide a Safer, Cleaner and Healthier Environment

The DDV1732AM comes with a strip of antimicrobial tape, which you can apply to the handle for additional protection against the growth of bacteria, viruses, fungi, mold and mildew.

Specifications
