

Heavy-Duty USB-C Sync/Charge Cable with Lightning Connector - M/M, USB 2.0, 6 ft. (1.8 m)

MODEL NUMBER: **M102-006-HD**

USB/Lightning cable connects your Apple iPhone, iPad or iPod to the USB-C port on your MacBook Pro, laptop or wall/car charger.

Features

6 ft. USB-C Cable Charges and Syncs Your Latest-Generation iPhone, iPad and iPod

This USB-C sync/charge cable (M/M) connects your iPhone, iPad or iPod to the USB-C port on your MacBook Pro, Windows laptop, car charger or wall charger. It allows you to charge and power your Apple device, while simultaneously syncing and transferring image files and other personal data at USB 2.0 speeds up to 480 Mbps. The cable is backward compatible with previous USB generations, allowing you to use it with older equipment.

Heavy-Duty Aramid Fiber Construction Designed to Endure the Stress of Everyday Use

The M102-006-HD is tested to withstand over 150,000 bends without failing, thanks to its advanced bulletproof Aramid fiber construction. Its double-braided nylon exterior is also built to withstand wear and tear over a long period. The nylon braiding also resists tangles while you're carrying the cable in your car, bag or briefcase. Integral strain relief gives the cable extra flexibility, reduces stress, and helps the cable move freely without cracking or breaking loose from the connectors.

MFi-Certified for Broad Device Compatibility

The 20V 3A (60W) Lightning cable is MFi-certified for use with the latest generation of iPhone, iPad and iPod devices.

Reversible Lightning and USB Type-C Plugs Connect in Either Direction

Connect the reversible 8-pin Lightning plug to your Apple device for charging and synchronizing, and the reversible USB-C connector to a USB-C port on a MacBook Pro, Windows laptop or charger. The fumble-free plugs connect in either direction for immediate no-fuss use every time.

Highlights

- Bulletproof Aramid fiber allows cable to bend over 150,000 times without failing
- MFi-certified for broad compatibility with your Apple iPhone, iPad or iPod
- Supports USB 2.0 speeds up to 480 Mbps to ensure reliable data transfers
- Durable double-braided exterior resists tangles and withstands long-term wear and tear
- Reversible plugs connect in either direction for immediate no-fuss use

Applications

- Charge and sync your Apple iPhone, iPad or iPod using the USB-C port on your computer or a wall charger up to 6 ft. away
- Transfer photos and other important files between an external hard drive and your Apple device

System Requirements

- Device or charger with USB-C port
- iPhone, iPad, iPad mini, iPad mini 2, iPad mini 3, iPad mini 4, iPad Air, iPad Air 2, iPad Air 3, iPad Pro 12.9 inch, iPad Pro 10.5 inch, iPad Pro 9.7 inch and iPod Touch devices with Lightning port

Package Includes

- M102-006-HD Heavy-Duty USB-

C to Lightning Cable (M/M), 6 ft.

Specifications

OVERVIEW	
UPC Code	037332252609
INPUT	
Cable Length (ft.)	6
Cable Length (m)	1.8
Cable Length (in.)	72
PHYSICAL	
Cable Outer Diameter (OD)	4.0mm
Color	Black; White
Material of Construction	Shore 76A TPE, Nylon
Wire Gauge (AWG)	26/21
ENVIRONMENTAL	
Operating Temperature Range	-4 to 140 F (-20 to 60 C)
Storage Temperature Range	-4 to 176 F (-20 to 80 C)
Relative Humidity	0% to 90% RH, Non-Condensing
Power Provided to Connected Device(s)	60W (20V/3A)
CONNECTIONS	
Side A - Connector 1	USB C (MALE)
Side B - Connector 1	LIGHTNING (MALE)
Connector Plating	Nickel
Contact Plating	Gold
FEATURES & SPECIFICATIONS	
USB Specification	USB 2.0 (up to 480 Mbps)
Technology	Lightning; USB
CERTIFICATIONS	
Certifications	RoHS, CA65, REACH; MFI-Certified
