

4950-1H
Crystal Teardrop

1-40W Edison Base
Mini Chandelier, 13"H x 7"D

The AF Lighting 4950-1H Crystal Teardrop Mini Chandelier features a polished chrome frame that is complemented by a gaggle of clear glass drop beads that catch the light and add a shimmering accent to your room. This traditional style chandelier uses one 40 watt bulb (not included), and comes with a swag kit and a hard-wire option. Assembly required.
