Q U I E T K O O L

Emerson Quiet Kool through-the-wall air conditioners are the perfect cooling solution for your home or office. Available with varying BTUs to accommodate any size room, you are sure to find a perfect model for your space. Equipped with a convenient remote control, you can change the function of the air conditioner from anywhere in the room to fit your comfort needs. The washable and easy-access filters will keep fresh, clean air flowing through your room. Plus, quiet operation keeps you cool without keeping you awake.

These units are intended for through-the-wall installation and are not designed for standard window installation. They will fit most existing wall sleeves, including competitors', and include a decorative interior trim kit.

**Through-the-Wall
Air Conditioners**

For peace of mind, you receive the 1-2-5 years warranty: 1 year labor, 2 years parts and 5 years compressor. Emerson Quiet Kool air conditioners are a great way to beat the heat and stay comfortable.
