

EMERSON

QUIET KOOL

Emerson Quiet Kool SMART dehumidifiers control humidity levels in your home. By removing the excess moisture in the air, dehumidifiers help protect your home from mold and mildew caused by excess moisture. They also help remove harmful bacteria and allergens in the air that can make breathing difficult.

With Wi-Fi, you can control and monitor your dehumidifier with your smartphone while you are on the go. This model also works with Amazon Alexa and Google Home devices. After a simple setup, enjoy hands-free comfort by using voice commands to control your dehumidifier.

For peace of mind, you will receive our 1-2-5 years warranty: 1 year labor, 2 years parts and 5 years compressor.
