EMERSON
Q U I E T K O O L

Emerson Quiet Kool Heat/Cool through-the-wall air conditioners give you flexible home comfort options. Not only will these models cool the room, they can also provide 10,600 BTUs of supplemental heating for cool, brisk nights. On top of that, they can also function as a fan and a dehumidifier, removing excess moisture from the air.

Available with varying cooling BTUs to accommodate any size room, you are sure to find the perfect model for your space. These units are intended for through-the-wall installation and are not designed for standard window installation. They will fit most existing wall sleeves and include a decorative interior trim kit.

For peace of mind, you will receive our 1-2-5 years warranty: 1 year labor, 2 years parts and 5 years compressor.
