# Terms and Conditions

## A. Plan Overview

During the Term of the Plan (as defined in the Service Plan Highlights), Epson America, Inc. (“**Epson**”), or its designee, will provide priority technical telephone support and other services described herein (“**Service**”) for the Epson Product for which you have purchased a Plan. Epson will use commercially reasonable efforts to Service your Product in accordance with this Agreement.

Epson is the obligor of this Plan and the party that is financially and legally obligated to perform Service under this Agreement. Epson’s obligations under this Plan are backed by the full faith and credit of Epson, with its principal place of business located at 3131 Katella Ave., Los Alamitos, CA 90720. Epson is the seller of this Plan, but if you purchased this Plan from an Epson dealer, that party is the seller of this Plan, and you should keep the name and address of your dealer on file for your records.

## B. Plan Fee

The fee for each Plan is payable in full before it will be activated. Customer is responsible for any taxes arising from the Service provided under this Agreement.

See Section F for cancellation details and the applicability of a refund.

## C. Eligibility

This Plan is offered to and intended only for our commercial customers. It must be purchased prior to the expiration of the Epson limited warranty or an Epson extended service plan to maintain continuous coverage. The Plan is only available in the United States, Canada, or Puerto Rico. Customer must be prepared to submit proof of original purchase of the Product.

You may purchase service plans covering up to two (2) years on a year-to-year basis, or any combination thereof as long as total coverage, including original limited warranty and service plan(s), for a single Product serial number does not exceed five (5) years from the initial Product purchase date.

Products with noncontinuous coverage: If you are interested in purchasing a service plan from Epson and you have not had continuous coverage (i.e., your limited warranty or service plan has expired), or your Product is older than five (5) years, please contact Epson at (800) 637-7661 to discuss alternative service options. At Epson’s discretion, products with noncontinuous coverage, or that are older than five (5) years, may become eligible for service coverage upon passing an operational inspection (inspection fees apply). Nonoperational products may become eligible for service coverage after repairs have been made at Epson’s time and materials rates (“**Service Costs**”) and upon passing an operational inspection. Repair estimates are available at Epson’s time and materials rates. Please contact Epson if you have eligibility questions.

## D. How to Obtain Service

1. Once the Plan is activated, call (800) 637-7661 (United States, Canada, and Puerto Rico) between the hours of 7:00 a.m. and 4:00 p.m., Pacific Time, Monday through Friday, for support. Support hours are subject to change without notice.
2. To obtain service, Customer will be asked to provide Epson with the model and serial number of the Product, the address where it is located, and a description of the problem. An Epson technician will provide telephone diagnostic support to determine whether the Product requires hardware service. If required, Service will be provided according to this Agreement.

## E. Services Limited

Service described in this Agreement is separate from the limited warranty provided at the time of your Product's original purchase. This Agreement does not modify the terms and conditions of that limited warranty.

1. **What Is Covered:** At its sole discretion, Epson agrees to repair your Product if it becomes inoperable or unable to perform according to Epson specifications due to defects in workmanship or materials during the Term of the Plan. No other coverage is included. This Agreement covers only hardware and mechanical failures related to the parts and components of the Product.
  - a. **Service Parts Coverage:** Epson will provide all parts for covered repairs. The replacement of any part will be at Epson's sole discretion.
  - b. **Part Replacement:** When Service involves part replacement, the items/parts replaced become the property of Epson, and the replacement parts receive coverage for the remaining Term of the Plan. Replacement parts may be new or remanufactured to Epson standards.
2. **What Epson Will Do to Correct Problems:** Should your Product become inoperable or unable to perform its function according to Epson specifications during the Term of the Plan, an Epson technician will work with you to resolve the problem and determine whether your Product requires hardware service. If Epson, at its sole discretion, determines Service is required, return for repair Service will be used. Customer data and applications cannot be restored and should be backed up by Customer.
3. **What This Plan Does Not Cover**
  - a. On-site or in-house service and repair of the Product.

- p. Any problem or damage from operator or user error.
- q. Accessories, paint, or refinishing of the Product.

- b. Perform operator maintenance prescribed in the *User's Guide* on a regular basis. **Failure to complete proper and timely maintenance may result in Product failure. Service to repair the Product due to improper maintenance will be invoiced at Epson's time and materials rates.**
- c. Operate the Product under suitable conditions, in compliance with environmental requirements, and within specification as documented in the *User's Guide*.
- d. Pack the Product in original or equivalent packaging and send to Epson or an Epson-authorized servicer. Epson is not responsible for damage due to inadequate customer packaging or shipping.
- e. Epson does not provide Service if the Product is moved outside of the United States, Canada, or Puerto Rico.

**Note:** If a claimed defect cannot be identified or reproduced, you will be held responsible for the costs incurred. You agree to be billed at Epson's time and materials rates if excluded services are necessary to restore your original Product to working condition and to pay such charges upon receipt of invoice.

- 5. **Charge for Matters Not Covered:** Epson is obligated to provide Service only within the terms stated in this Plan. Any labor, parts, or expenses used or incurred by Epson to provide service beyond these terms shall be paid by you at Epson's time and materials rates. Epson shall invoice you in such case and each invoice is due 30 days from receipt.
- 6. **Unserviceable Product:** In the event that Epson, after a commercially reasonable effort, is unable to provide Service, Epson may, at its discretion, offer a pro rata refund of the Plan amount you paid, or that same pro rata Plan purchase amount may be used toward the purchase of a new product or a service plan for a new product.

## F. Term, Cancellation, and Refunds

The Term of the Plan shall begin, as applicable, either on the purchase date of the Plan, the expiration date of the Epson limited warranty or of an Epson service plan, or for noncontinuous coverage, the purchase date of your Plan indicated on the receipt ("**Plan Start Date**"). The Plan shall expire on the expiration date of the Term of the Plan.

1. You may not assign or transfer this Agreement without the prior and express written consent of Epson. Please contact Epson (email [customer.inquires@ea.Epson.com](mailto:customer.inquires@ea.Epson.com) or call 800-637-7661) to request consent. Any other purported transfer or assignment shall be void.
2. The right to cancel only applies to the original purchaser of this Plan and may not be transferred or assigned.
3. You may cancel this Plan by submitting your cancellation request in writing to the Epson dealer that sold you this Plan, or if you purchased this Plan directly from Epson to ATTN: Preferred Plus Cancellation, PO Box 93012, Long Beach, CA 90809-9941.
  - a. **Cancellation of Plans:** For written notice of cancellation received on or before the thirtieth day after the Plan Start Date, Customer will receive a 100% refund minus the cost of any Service provided. Service Costs shall be determined based on Epson's time and materials rates. For written notice of cancellation received after the thirtieth day following the Plan Start Date, Customer will receive a pro rata refund based on the number of months remaining in the Term of the Plan, minus any Service Costs and discounts received.
4. Epson may also cancel this Plan. In that case, Epson shall provide you with a written notice no fewer than 30 days prior to such cancellation at your last known address, with the effective date for the cancellation and the reason for cancellation. Prior notice is not required if the reason for cancellation is nonpayment of the purchase price of the Plan, a material misrepresentation, or substantial breach of duties by you relating to the covered property or its use. If Epson cancels the Plan, you will receive a pro rata refund of what you paid for the Plan (for example, for a cancellation occurring halfway into the Term of the Plan, you will be refunded one-half the amount you paid).
