

Assembly Instruction

1. Assemble the bottom two parts of body by fixing the circles using the zip ties given.

2. Now you have a stable body.

3. Install the top part of body onto the bottom part as shown by using the zip ties given.

4. Insert the tubes into the holes shown to put the snowman hands and hat on.

5. Insert the tubes into the holes shown to put the birds on.

6. Now the assembly is complete.
