ULTRALITE 600 PORTABLE POWER STATION

What powers you, powers us. Your drive to take adventures, get outdoorsy, and stay active powers us to make great products that won't hold you back. We believe you should be able to enjoy the benefits of nature while still being connected and fully charged. We've designed the Ultralite 600 to be lighter and more powerful to take you more places. Whether it's camping, exploring, tailgating or right at home—your adventure should be free of limits.

Features:

- Comes with car charger adaptor cable, battery starter clips, DC conversion heads and adaptor cord and AC adaptor cable
- 1 AC, 3 DC, 2 USB and 1 car output ports to power laptops, cell phones, CPAP machines, digital camera, tablets, LED lights, small fans, etc.
- Utilizes pure sine-wave technology to enable your AC appliances to run at peak performance and protect them from damage
- Power station doubles as an LED flashlight and light source with 7 different modes including distress signals and ambient light mode
- Lithium ion battery is a superior power source over generators that have fumes and burn fuel
- One year limited warranty
