ULTRALITE 1800 POWERFUL PORTABLE POWER STATION

What powers you, powers us. Your drive to take adventures, get outdoorsy, and stay active powers us to make great products that won't hold you back. We believe you should be able to enjoy the benefits of nature while still being connected and fully charged. We've designed the Ultralite 1800 to be lighter and more powerful to take you more places. Whether it's camping, exploring, tailgating or right at home—your adventure should be free of limits.

Features:

- Comes with AC adaptor cable, and solar charge cable
- Use in place of gas generator for power outages, as the lithium ion battery is a superior power source over generators that have fumes and burn fuel
- 2 AC, 4 USB, 1 Type-C and 12 Volt car outlet output ports to power CPAP machines, medical devices, refrigerators, freezers, computers, cell phones, etc.
- Utilizes pure sine wave technology to enable your AC appliances to run at peak performance and protect them from damage
- At 37 lbs. it's the lightest power station in its class
- One year limited warranty
