SIGNATURE FEATURES

Make Safer Water Second Nature

Certified to reduce up to 99% of contaminants and keep great tasting water flowing for you and your family.¹

Peace of Mind Protection with PurePour Connect Technology

Know for certain your filter is a protector and not counterfeit. The PurePour Connect Technology works to ensure a genuine filter has been correctly installed. If a counterfeit or the incorrect filter is installed an error message will appear on the refrigerator's control panel.

Filters Out up to 99% of Contaminants

Reduces Chlorine Taste & Odor, Particulates Class I, Cysts, Lead, Mercury, Pesticides, Insecticides, BPA, Asbestos, Pharmaceuticals and more.²

Keeps Great Tasting Water Flowing For up to 6 Months

Replace your water filter every 6 months or 125 gallons, whichever comes first.

MORE EASY-TO-USE FEATURES

Water Quality Association Certified

Frigidaire Genuine Filters are certified by the Water Quality Association to WQA/ASPE/ANSI S 803 for sustainability.

NSF 42, 53 & 401 Certified to Filter Out Contaminants

Tested and certified by NSF International against NSF/ANSI Standards 42, 53 and 401 in PurePour Connect™ PWF-2™.³

Every Drop Gives Back

Partnered on sustainability efforts, Frigidaire Genuine Filters save the cost of bottled water and cut back on plastic.

Push to Lock & Release Easy Install

Always review your Use & Care Guide before installation. To install slide new filter into housing and push until it locks into place.

Frigidaire Genuine Filters

Look for our Genuine Filters seal on the package to know for certain your filter is authentic and sold by Frigidaire. Frigidaire Genuine Filters - the smarter, safer choice.

May Connect with Frigidaire App

Some refrigerator models may also send filter notifications through the Frigidaire app when this filter is in use.

Easy Setup for Optimal Results

Always consult your fridge's Use & Care Guide and run water through the dispenser for approximately 3 minutes, or 1.5 gallons, to prime the filter before use. Discard the water.
