Frigidaire PureAir PK-2 Produce Keeper Plus

AVAILABLE COLORS

SIGNATURE FEATURES

Antioxidant Technology Helps To Preserve The Taste, Color, and Overall Freshness of Your Produce

Captures ethylene gas from fruits and vegetables, the natural gas that causes produce to ripen quicker.

Reduces Food Waste & Saves Money

Minimizes spoiled produce and cuts back on replacement purchases. Now your leafy greens won't spoil before you get to use them.

Helps to Reduce Unwanted Odors From The Air

The filter's carbon layer absorbs odors to help your fridge and food stay fresh.

Powerful Performance Delivers Long Lasting Freshness For Up To 12 months

Saves you time on monthly replacements and keeps your

MORE EASY-TO-USE FEATURES

Enjoy Produce With a Longer Storage Life

Antioxidant filter technology slows down the aging process of produce so that your fruits and vegetables last longer.

Easy Install

No tools required for installation. Simply insert unopened packet into the holder in the crisper drawer.

Enhance the Performance of Your Crisper

Experience enhanced performance of the Frigidaire Crispseal® Fresh system with use of the PureAir Produce Keeper Plus™ filter.

Genuine Filter, Optimal Results

Look for our Genuine Filter seal on the package to know for certain your filter is authentic and sold by Frigidaire.
