

FHWC063TB1

6,000 BTU Window Room Air Conditioner

The Frigidaire 6,000 BTU Window Room Air Conditioner allows you to enjoy optimum circulation and cooling with 6-way directional airflow and three different fan speeds. Our easy-to-clean washable dust filter captures dust from the air and helps keep your air conditioner working efficiently.

Version: 10/23

Consumer Benefits

Multi-Direction Airflow

Enables optimum circulation and cooling with 6-way directional airflow and three different fan speeds.

Easy-to-Clean Washable Dust Filter

Capture dust from the air and keep your air conditioner working efficiently with our easy-to-clean washable dust filter.

Programmable Timer

Preset the unit to turn on and off in half hour increments so that you can maintain optimal comfort while at home.

Clean Filter Alert

Peace of mind of knowing when it's time to clean your dust filter with Clean Filter alerts.

Sleep Mode

Enjoy maximum comfort and quiet operation throughout the evening hours. With Sleep Mode, the temperature gradually increases a few degrees over the course of the evening.

Automatic Remote Temperature Control

Precisely control the temperature and fan speed from across the room and remain comfortable at all times with a thermostat located on your air conditioner's remote control, which precisely maintains the preset room temperature.
