

Powerful, precision cooking and large capacity in a compact counter-depth gas range.

Available Colors

Stainless Steel
GL1FR24ASSAGN

17,400 BTU Triple Ring Power Burner

Full range of power in all three rings to sear a steak or bring a large pot to a rolling boil before reducing to simmer for controlled cooking.

Semi-Rapid and Simmer Burners

Semi-Rapid burners are ideal for everyday cooking. The Simmer burner is perfect for the gentlest cooking.

Convection

Heated air circulates throughout the oven cooking your food faster and more evenly without hot spots. You can even broil and bake foods with direct heat, such as fish, chicken and fresh, oven-baked goods.

Cast-Iron Grates and Solid Stainless Steel body

European-style grates absorb and retain heat. Sleek and seamless solid stainless steel body makes it easy to wipe away spills.

Easy-Clean Knobs

Removable control knobs for easy, fuss-free cleaning.
