

HYGENX™
by HamiltonBuhl®

XDG-LG50 – 50 Packs of 16 Pairs Each

XDG-LG200 – 200 Packs of 16 Pairs Each

Disposable Gloves Packs

XDG-LG50 and XDG-LG200

The trusted HamiltonBuhl® HygenX™ brand now offers single-use disposable gloves in handy packs 16 pairs each, individually-wrapped). These gloves come in quantities of 50 packs/800 pairs (XDG-LG50) and 200 packs/3200 pairs (XDG-LG200) – ready to protect your hands from germs and bacteria wherever you go.

**Handy • Disposable • Latex-Free, Made of Polyethylene
FDA Food Grade Quality**

Take this pack of gloves wherever you go! In today's environments, stay better protected from germs and dirt when traveling and shopping – touching elevator buttons, touchscreens, doorknobs and handrails, shared objects, and when using public transportation, libraries, schools, office and home.

Keep this handy pack in your car, at work, in your pocket, briefcase or handbag, and have peace of mind that you have an ideal barrier against germs and bacteria that may be present.

Rely on the HygenX™ brand to keep you safer and better protected with the entire product line.
