

The TRADITIONS Collection

The **Traditions Collection** transforms any backyard into an elegant outdoor dining area with its superior quality and warm, rustic charm. This collection includes a variety of dining table options, offered in various shapes and sizes, that cater to your desired seat quantity and size of your outdoor space. Each piece is constructed with durable aluminum frames that are polished with a weather-protective coating that repels moisture and UV harm. Open-cast accents swirl across the back of each chair and cast tabletop, creating an elegant display of craftsmanship found throughout the entire collection.

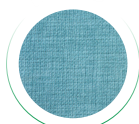

Swivel-action rockers are available as an alternate option to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion while you enjoy your meal.
