

## The Oxford Collection

The **Hanover Oxford Fireplace Collection** offers the perfect blend of style and functionality to any room it's placed in. Its slim frame is made out of a sturdy MDF material that is available in seven stunning finishes. The clean lines, fluted pilasters, and crown molding are a few of the design details that add character to the frame. An enchanting flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding more depth to the realistic log display.
