### MINI PYRAMID TABLETOP HEATERS

Enhance your outdoor dining or lounging area with Hanover's delightful Mini Pyramid tabletop heaters. Approximately 34 inches tall with a 3-ft. to 4.5-ft. heat radius, our Mini Pyramid liquid propane patio heater emits a warm, radiant glow creating beautiful ambiance in any outdoor setting. Place it in the middle of your outdoor dining, coffee or end table to add that special touch to any occasion. Highly portable it can easily be moved from one table to another or better yet, buy two! Your Mini Pyramid tabletop heater arrives with a pre-assembled one-piece frame for quick and easy 10-minute setup.

### FEATURES

- **Powered by 1-lb. liquid propane gas cylinder (not included)**
- **Column of flame within a quartz tube provides a warm glow**
- **Protective steel grill keeps you at a safe distance from the flame**
- **Pulse battery ignition with pilot light**
- **High Heat: 9,500 BTUs**
- **Low Heat: 5,000 BTUs**
- **Approx. Run Time: 1.5 hours**
- **CSA design certified**

## PATIO HEATER COVERS

Protect your patio heater from the elements with a durable, weather-protective cover. Designed specifically for Hanover patio heaters, this cover provides extra protection from rain and UV harm. Each cover is made out of polyurethane, which is a strong, yet lightweight material. When not in use, simply place the cover over the unit and pull it down into place. It will cover the heater from top to bottom for full protection.
