SQUARE WICKER PROPANE HEATER

Bask in the 16.4-ft. heat radius of Hanover Outdoor's 41,000 BTU square wicker patio heater. It is constructed of durable steel and is available in brown wicker with stainless accents, or brown wicker with hammered bronze accents.

Both styles offer a table-style design that will be multi-functional for your guests. Friends and family will have a place to rest their drinks while they make conversation and find ultimate comfort in your outdoor living space. The variable control knob ranges from low to high heat, allowing this 7-ft. patio heater to provide amazing comfort through all seasons.

FEATURES

- *Liquid propane gas patio heater (tank not included)*
- *41,000 BTUs of warm comforting heat*
- *7-ft. tall with 16.4-ft. heat radius*
- *Battery ignition start with low to high heat control*
- *Flux: 450g/hr.-945g/hr.*
- *CSA design certified*
- *Assembly required*

PATIO HEATER COVERS

Protect your patio heater from the elements with a durable, weather-protective cover. Designed specifically for Hanover patio heaters, this cover provides extra protection from rain and UV harm. Each cover is made out of polyurethane, which is a strong, yet lightweight material. When not in use, simply place the cover over the unit and pull it down into place. It will cover the heater from top to bottom for full protection.
